## **EMPLOYEE APPLICATION PROCESS**

We are glad you are interested in serving on the staff of Wilderness Expeditions, Inc. Serving for a summer as a staff member is a challenging and rewarding opportunity. Around twenty staff members are hired each summer. The application process is simple.

**Step One:** Complete the Wilderness Expeditions Employee Application below and submit two reference letters with your application. If you know a present or former Wilderness Expeditions employee, please ask them to send or email a letter of recommendation for you in addition (not required). Mail to: Wilderness Expeditions, Inc., c/o Applicant Processing, 7870 W. Hwy. 50, Salida, CO 81201. The deadline for submitting applications is January 31 of the year you are applying for employment.

**Step Two:** If you are to be considered for employment you will receive a personal interview (in person or by phone). You will be contacted for an interview by February 15. Staff are usually hired by the end of February.

All those hired must comply with the following:

1. Arrive in Colorado ready to start no later than the beginning of staff training. These dates are listed on the web calendar. Be available for full-time employment through the first full week of August.
2. Have already completed and received certification for American Red Cross Basic First Aid and Adult CPR. You must pay for this certification yourself.
3. If you plan to bring a personal vehicle to Colorado, provide upon arrival a copy of a valid driver's license and proof of liability insurance for your vehicle. If you are asked to use your vehicle to transport yourself and other staff members to and from trail heads, you will receive reimbursement for your mileage. Your vehicle must be safe and in good running condition.
4. Participate in a 1-2 week training course provided by Wilderness Expeditions, Inc. held before the start of Wilderness Expeditions' summer program. See the Wilderness Expeditions web calendar for tentative dates.
5. Pass a written test regarding Wilderness Expeditions policies and procedures. You will be given access to all training information after you have been hired and prior to the test.
6. Be prepared to lead a series of spiritual training activities consistent with the purpose of Wilderness Expeditions and based on the season's journal. You will receive a copy of the journal prior to your arrival in Colorado.
